

experienced engineering, innovative design.

since 1976

FROM OUR ROOTS THE TECHNOLOGY OF TOMORROW

50 years of expertise,
built into every machine.
Uncompromising performance,
and a service that goes
wherever you are. Since 1976,
Bimec has been designing
and manufacturing **SLITTER
REWINDERS** for plastic films,
paper and laminates.

WIDE-REACHING BRANCHES

A support network that never stops.
Always close, always connected,
always there when it matters.

A TRUNK BUILT TO LAST

Every machine is engineered for peak
performance and long-term reliability.
Time-tested technology, constantly evolving.

DEEP ROOTS

50 years of handed-down expertise,
professionals who know every detail.
Technology evolves, knowledge endures.
